

## **REGIONAL ENRICHMENT CENTERS**

[See attached flyer](#). For now, they are only open to children of health care workers, first responders and transit employees. My sense is they want to gauge need and capacity before opening the sites up to other children. We will continue to press for access for students in foster care and students in temporary housing. To apply, eligible families should fill out this survey <https://docs.google.com/forms/d/e/1FAIpQLSdDNFMoezuG9mCu99utf3dkloTpdEhzBB1ancwlaeT3ny7uEQ/viewform> or call 718-935-2200. DOE will contact the family within 48-72 hours to match them to a site. DOE has not published a list of the sites (they probably don't want families showing up at the door). No word yet on whether transportation will be provided, but I doubt it. Additional information is available here: <https://www.schools.nyc.gov/enrollment/enrollment-help/regional-enrichment-centers>

## **REMOTE LEARNING PORTAL**

The DOE's remote learning portal is now active. Students will have access to Google Classroom and Microsoft Office 365. If students did not get their log-in information directly from their school, they can retrieve it here:

<https://www.schools.nyc.gov/learning-at-home/digital-learning-tools/doe-student-accounts>. They will need to enter their 9-digit student ID (listed on most DOE documents, including report cards, IEPs and student ID cards) and their birthday. There is a link to the remote learning portal here:

<https://www.schools.nyc.gov/learning-at-home/digital-learning-tools/remote-learning-portal>. There are instructions for using Google Classrooms here:

<https://www.schools.nyc.gov/learning-at-home/digital-learning-tools/getting-started-in-google-classroom>. For technical support with Google Classrooms, call the DOE Service Desk at 718-935-5100.

## **HIGH SCHOOL ADMISSIONS**

High school admission results are available. Students should log-in to their MySchools accounts to get the results. More info available here:

## **STATE ENGLISH LANGUAGE ARTS TEST**

The State ELA exam, which was scheduled for March 25, has been suspended.
